Subject: Senco Developers commences its Senco Homes project in Accra

We wish to announce the commencement of our Senco Homes project on Monday, October 16, 2023 at Amrahia on the main Amrahia-Katamanso Road in the Adenta Municipality of the Greater Accra Region, Ghana.

The Senco Homes-Amrahia Phase 1 project is a luxurious mini-gated community project that offers residents with a touch of comfortable and secured homes at a serene environment with modern architectural design and green environment.

This housing solution is tailored at meeting the housing needs all class of customers. Our pricing policies take into consideration key elements like affordability, quality, security and luxury for all clients.

Our current project which is ready to move-in by December 2023 has two (2), Three (3) and four (4) bedroom houses with distinctive features in a gated community which already has Police station, children playground, hospital, and basketball court among others.

The Senco Homes Amrahia Phase 1 started with ten (10) housing units at a discounted price with a 2 to 3year payment plan where the customer pays an agreed deposit, move-in.

We also give an opportunity to our customers to pre-order and get the building plan customized to suite their taste and the building completed within 3months for the customer to move-in.

We want to use this opportunity to call on investors to consider investing in the Senco Homes projects as the locations and designs make it highly appealing for home owners hence guaranteeing high returns.
